STRENGTHENING COMMUNITY IS OUR CAUSE

Awaken Summer Imagination at Annual Healthy Kids Day®

Saturday, April 21st Noon - 4:00 pm

On Saturday, April 21, the Barbara B. Jordan YMCA is holding a free community event to inspire more kids to keep their minds *and* bodies active at the annual YMCA's Healthy Kids Day®, the Y's national initiative to improve health and well-being for kids and families. Healthy Kids Day is an opportunity to ignite children's imaginations so that they can imagine what they'll accomplish this summer. The afternoon event features activities such as **Family Obstacle Course, Free Open Swim, Gaga Pit, see a Fire Truck and Police Car up close, Camp and Earth Day activities** to motivate and teach families how to develop and maintain healthy routines at home throughout the summer months.

Healthy Kids Day, celebrated at over 1,500 Ys across the country by over 1.2 million participants, works to get more kids moving and learning, creating habits that they continue all summer long. When kids are out of school, they can face hurdles that prevent them from reaching their full potential. Research shows that without access to out-of-school learning activities, kids fall behind academically. Kids also gain weight twice as fast during summer than the school year. As spring turns to summer, Healthy Kids Day is a powerful reminder not to let children idle away their summer days. Instead, the Y wants families to focus on helping children imagine what they can accomplish over the summer.

Join the **YMCA, IU Health Morgan, Martinsville Police and Fire Departments, Walgreens and Morgan County Soil and Water** for all the fun and tips **Saturday, April 21st.**

UPCOMING EVENTS .
