

Open and Accessible to All

The Barbara B. Jordan YMCA is committed to being open and accessible to all through sliding-scale fees and underwritten programs.

The Barbara B. Jordan YMCA provides a safe and caring environment for children to learn, for families to feel safe and enjoy healthy activities together, and for older adults to find social opportunities and be part of a small community. Your donation assures the continuation of our commitment to making our community a better place to live.

In 2020 the Barbara B Jordan YMCA was able to provide program subsidy and sliding scale fees to over 3,700 youth and teens in a variety of program areas, including but not limited to: before and after school childcare, preschool, youth sports, summer day camp, drug prevention programming, and membership.

THE YMCA MISSION

To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.
